

# The **FORD** Meter Box Company, Inc.

September 13, 2023

To Whom it May Concern:

Ford Meter Box and Goodgame have worked together on numerous expansion projects and general facility maintenance over the past three decades. Goodgame has also been key in getting our facility repaired and operational after receiving major tornado damage, which has happened twice in the past twenty-five years. Their quick response, along with the provided skill and dedication, tremendously reduced the disruption to our facility and production operations. Goodgame has always exhibited a high level of integrity, honesty, and professionalism regardless of the size and scope of the project.

I am pleased to offer our recommendation for the Goodgame Company.

Sincerely,

Scott Reaves  
VP and Manufacturing Manager
